

Summer in a Jar

SUGGESTIONS

Summer in a Jar celebrates two of my life-long summer joys, sweet tea and fireflies. I love going outside at dusk to watch the light show rise from the summer-green lawn and feel the joy of being ten again. Creamy colored linen is suggested to highlight the colors used in this design. It is stitched over two linen threads using two ply cotton floss.

Please be encouraged to choose a fabric and color that appeals to you and allows all stitches to be visible. Check color compatibility by gathering your thread choices and laying them across the linen. Try different threads or change the fabric color until you are pleased.

ENJOY!
